Subject: Request for Revised Common Course: ENGL 383

Dear Dean Kenley,

Attached is a request to make a minor revision to a course we both teach: ENGL 383: Creative Writing.

In sum, the pre-reqs have not been updated to reflect the BOR's approval of ENGL 284: Intro. to Criticism also satisfying the completion of SGR #1. We believe this was an oversight (with nobody at fault) due to the approval of 284 occurring right before the time Covid hit, when many things got lost in the shuffle. The update in pre-reqs simply means that students who use 284 to complete their SGR #1 have satisfied the pre-req for 383 (as students who choose to complete 201 or 283 do).

Thank you for considering this. If you approve, I believe you sign the third line, and then I attach this document and our email exchange to the formal request.

Jason
