Students in the RN to Ph.D. in Nursing accelerated option would substitute the following courses:

NURS 615 Foundations of Advanced Nursing (3 credits)

NURS 670 Health Policy, Legislation, Economics and Ethics (3 credits)

NURS 675 Cultivating a Practice of Cultural Humility in Healthcare (3 credits)

These courses would replace the following RN to B.S.N. courses:

NURS 301 Emerging Issues in Nursing (3 credits)

NURS 463 Systems-Based Practice in Healthcare (3 credits)

NURS 466 Healthcare Informatics & Technologies (3 credits)

Students must follow policy and procedures outlined in [SDSU Policy 2:22 Use of Graduate Credit for Undergraduate Degree Requirements](#).
